

MOBILE SOLAR BOX 1500W

portable solar system with solar panels, batteries and inverter fitted in a box which is movable and light weight

Variant	Inverter Base	Drive Base
Model	MSB1500A	MSB1500B
Semi Flexible Solar Panel	900 watts/polycrystalline	900 watts/polycrystalline
Length/width/Height		
Weight	43 kgs	40 kgs
Inverter	Sine wave	VFD Drive
Battery	lithium	Lithium
Backup	100AH	100AH
Output Voltage	220 volts single phase	220 Volts three phase
Display	Digital	Digital
Ports	2-AC	1-AC 3 Phase
Ac Charging	Yes	Yes
Trolley Box	IP 65-water proof	IP 65-water proof
Uses	AC Appliances upto 1500 Watts Even induction cooker	AC Three Phase motor of upto 1.5HP,Pump with Sprinkler set, Compressor ,Drill Machine Etc.
Warranty	Two Year	Two Year
Accessories optional	Induction Cooker	Pump with Sprinkler System
